

ASSEMBLY EXAMPLES

GENERAL WARNINGS
⚠ DANGER OF MATERIAL DAMAGE!

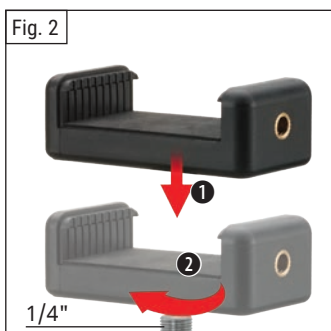

Only use this product as an accessory on devices with the appropriate technical requirements.

When installing, make sure to secure the clamps well to avoid dropping your smartphone.

The manufacturer accepts no liability for damage to the device itself or to alternative devices (optics, smartphone, etc.) caused by improper handling.

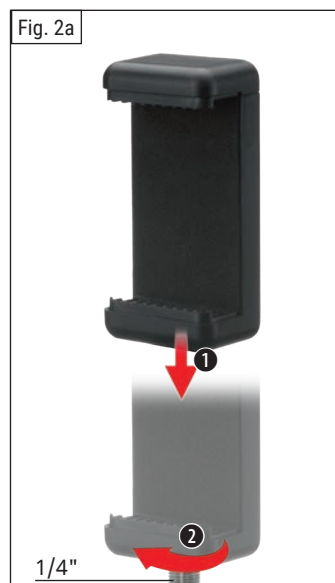

SCOPE OF DELIVERY (Fig. 1)

- Smartphone holder (1 pc.)

ASSEMBLY

1. (Fig. 2 + 2a) Place holder in desired position on existing base with 1/4" thread (1) and screw on (2).

2. Fig. 3) Pull out the clamp (3), push in the smartphone¹⁾ (4) and retract the clamp (5).
